What's A&DM Torino?

Over the nine past editions, **A&DM Torino** has established itself as the only international matchmaking event for the aerospace and defense industry in Italy.

Across 3 days, participating companies have the chance to meet, build up targeted business relations and develop new projects with partners from all over the world.

Constantly evolving to meet industry demands and unlike other typical aerospace events, A&DM Torino connects OEMs and their Tier 1 & 2 suppliers with manufacturers and service providers from both civil and defense aviation, through a series of individually tailored one-to-one meetings.

Facts & Figures 2023 edition

- 2,200 +** Participants
- 9,000 +** One-to-One meetings
- 85 +** Speakers
- 35 +** Countries

CONFERENCES & WORKSHOPS

A&DM Torino features a **full program of conference sessions** that will bring together the aerospace and defense community to explore the key challenges and opportunities of the future of aerospace.

KEY TOPICS 2023

- > SUSTAINABILITY AND GREEN AVIATION
- > SPACE ECOSYSTEM AND LUNAR
- > DEFENSE AND CYBERSECURITY
- > ADVANCED AND URBAN AIR MOBILITY
- > INDUSTRY 5.0: AI/DATA

Event Format

ONE-TO-ONE MEETINGS

A&DM Torino guarantees **targeted** one-to-one meetings scheduled by BCI Aerospace, leading event organizer for the aerospace industry. This **matchmaking formula** - first developed in Toulouse and then extended and applied to other key global aerospace hubs such as Seattle, Montréal, Torino and Nagoya - is the **perfect business tool** for procurement, engineering, commodity and technical teams, as well as for service providers.

What primes say?

The A&DMs of Torino certainly contribute to the growth of the aeronautical supply chain with a strong impulse to the creation of contacts and partnerships which are paramount in a complex and technologically advanced context like ours. The SMEs and the Research Centers we collaborate with are certainly national and international production excellence: this is a great opportunity to meet and discuss new projects and opportunities.

Manuela BRERO / AVIO AERO
Strategic Sourcing Leader

A&DM is the international convention in Italy where to meet Aerospace MVPs and SMEs in the aim to build concrete and fruitful collaboration.

Walter CUGNO / THALES ALENIA SPACE
Vice President Domain Science and Exploration

This year A&DM Torino will be the perfect place to boost the relaunch of the Italian supply chain in the international business, putting in connection major industry players with flexible, customer-oriented, innovative and sustainable ecosystem of Aerospace and Defense SMEs.
